Mr. G. Chadwick Weaver
First Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 79702-1152

OR2002-2292

Dear Mr. Weaver:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 162249.

The City of Midland (the "city") received a request for an application for employment and related items pertaining to a named individual. You state that you have released to the requestor the responsive information with one exception. You claim that driver's license information is not disclosable under section 731.002 of the Transportation Code. We have considered your claim and reviewed the submitted information.

Initially, we note that the information contains a social security number. Social security numbers may be withheld in some circumstances under section 552.101 of the Government Code. A social security number or "related record" may be excepted from disclosure under section 552.101 in conjunction with the 1990 amendments to the federal Social Security Act, 42 U.S.C. § 405(c)(2)(C)(viii)(I). *See* Open Records Decision No. 622 (1994). These amendments make confidential social security numbers and related records that are obtained and maintained by a state agency or political subdivision of the state pursuant to any provision of law enacted on or after October 1, 1990. *See id.* We have no basis for concluding that the social security number is confidential under section 405(c)(2)(C)(viii)(I), and therefore excepted from public disclosure under section 552.101 on the basis of that federal provision. We caution, however, that section 552.352 of the Public Information Act imposes criminal penalties for the release of confidential information. Prior to releasing any social security number information, you should ensure that no such information was obtained or is maintained by the city pursuant to any provision of law, enacted on or after October 1, 1990.

You argue that, based on section 731.002 of the Transportation Code, the city must not release the driver's license information in the requested information. We do not address the applicability of section 731.002 to the driver's license numbers inasmuch as the Seventy-Seventh Legislature repealed chapter 731 of the Transportation Code. *See* Act of May 25, 2001, 77th Leg., R.S., ch. 1032, § 9, 2001 Tex. Gen. Laws 2281, 2286.

The driver's license number and related information are covered by section 552.130, which provides in relevant part:

(a) Information is excepted from the requirement of Section 552.021 if the information relates to:

- (1) a motor vehicle operator's or driver's license or permit issued by an agency of this state; [or]
- (2) a motor vehicle title or registration issued by an agency of this state[.]

Accordingly, you must withhold the Texas driver's license number and related information, which we have marked, under section 552.130.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, within 10 calendar days of this ruling, the governmental body will do one of the following three things: 1) release the public records; 2) notify the requestor of the exact day, time, and place that copies of the records will be provided or that the records can be inspected; or 3) notify the requestor of the

governmental body's intent to challenge this letter ruling in court. If the governmental body fails to do one of these three things within 10 calendar days of this ruling, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at 877/673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.--Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at 512/475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Joyce K. Lowe
